Support innovation in education and provide more school options for families

A One-Room Schoolhouse, a homeschool hybrid academy, is seeking donations for our annual fundraiser on June 29, 2023 in Hickory, PA.

This fundraiser provides scholarships for children who don't fit into the institutional educational model. We support these students by offering academic flexibility and rigor, lots of time for outdoor exploration and an emphasis on high moral character in a multi-age learning environment.

About the Event

The summer gala will be held at Shady Elms Farm, a stunning wedding event venue located in Hickory, PA. We are hoping to fill all 200 seats this year and provide a memorable evening full of delicious food, an engaging program, dancing and giveaways.

How Your Business Can Help

- Gift Basket donations (gift cards, themed baskets, physical items, etc)
- Table sponsorship (\$1,000 for a table of 8; \$500 for a table of 4)
All table sponsors' names and logos will be displayed at the event; mentioned during the program; and featured on the schoolhouse's social media platforms.
- Monetary donations for student scholarships

About the Organization

A One-Room Schoolhouse is a non-profit homeschool support organization that offers in-person instruction for homeschooling children ages K-12 in the greater Pittsburgh area. Students learn with professional teachers and peers up to three days per week. Parents provide the remaining instruction at home.

The schoolhouse supports Christian values, habit formation, time in nature and personalized academic support. We empower parents to be the primary influence in their children's lives and educational pursuits.

In 2020, the schoolhouse started with 20 students in our founder's basement classroom. Since then, it has grown to three campuses (Hickory, Washington and Franklin Park) and serves 100+ students. As our waitlist grows, we are looking for qualified teachers and locations throughout the Pittsburgh metro area. Next year, we will be expanding and opening a new campus in the Monroeville area.
